This program is exclusively administered by Pharma Futures, Inc. of Monument, Colorado, doing business as Physician's Rx Care (PRC). When PRC cardholders process or request assistance concerning prescription claims, confidential health information may be shared and recorded. Health information, such as pharmacy claims data, relating to a particular individual is referred to under law as "individually identifiable health information" (IH), U.S. and state laws, and PRC policies, govern the protection and use of IH. By using your card, you acknowledge and agree that PRC may have access to and use your IH for purposes of the Program. PRC limits access to IH to persons directly involved in providing cardholder pharmacy and health enhancement services, including medication therapy compliance, or to individuals responsible for monitoring services, providing technical or information management support, or other program-related activities. PRC limits IH access to the small number of individuals required for the PRC program. PRC provides access to individuals not involved in Program services only as specifically authorized by you or your legal representative. PRC does not sell IH. PRC will keep its communications and records regarding your IH confidential. PRC reserves the right to modify or discontinue the Program at any time and is not responsible for any services of any participating pharmacy. PRC reserves the right to modify or discontinue the Program at any time and is not responsible for any services of any participating pharmacy.
